

Lecture Reflection: L3

Course: IT Project Management (BIT)

Date: Thursday – 16/10/2025

Topic: Blended: Project Management Knowledge Areas

Instructor: Dr. Ahmad Kheraisat

Student: Dareen Qutishat (0221733)

This lecture detailed the ten project management knowledge areas and how they work together as a complete framework.

I learned that constant coordination and clear communication across these areas are vital throughout the entire project lifecycle.
