

## **Lecture Reflection: L5**

**Course:** IT Project Management (BIT)

**Date:** Tuesday – 21/10/2025

**Topic:** Systems Approach and Organizational Culture

**Instructor:** Dr. Ahmad Kheraisat

**Student:** Dareen Qutishat (0221733)

I was introduced to the systems approach, the three-sphere model, and various organizational frames for analyzing business environments.

The lecture taught me how deeply organizational culture can influence whether a project ultimately succeeds or fails.
