

## **Lecture Reflection: L2**

**Course:** IT Project Management (BIT)

**Date:** Tuesday – 14/10/2025

**Topic:** Project Management Fundamentals

**Instructor:** Dr. Ahmad Kheraisat

**Student:** Dareen Qutishat (0221733)

The lecture explored the core knowledge areas every project manager must master to ensure a project is defined as successful.

I was introduced to the concept of project portfolios and the critical role that reflection plays in professional growth.
