Lecture Reflection: L7

Course: IT Project Management (BIT)

Date: Sunday – 26/10/2025

Topic: Project and Product Life Cycles

Instructor: Dr. Ahmad Kheraisat

Student: Dareen Qutishat (0221733)

This lecture discussed project and product life cycles and the specific phases involved in each.

I learned the difference between physical products and services and how project effort levels change over time.

Comparing different life cycle models helped clarify which development approach fits different project needs.
